This has to be a dream... It just can't be real... Is it because I watched that porn clip? Perhaps if I hadn't, they wouldn't have sent to me this task? I don't know... I'm not sure of anything right now.
If I refuse now, I'd ruin everything, and if I accept, then Lucas would have to really cum. If he doesn't, then they'll accuse him of being a liar and feeding the computer with incorrect data.
Mom, are you alright?
I'm fucked here... Jeessssusss... What should I do?
ALLMYLINKS.COM/MANDOLOGICA
ML
MORE SENSATION

This makes it so much more difficult.. I wish Lucas was selfish and argued with me to do it , then I would have stopped everything. But he's so caring... And he doesn't give a damn about the scholarship.
I'm confused, Lucas. I'm not sure what to say or what to do right now. I'm lost.
...
Mom, what's wrong? Look, we can stop the experiment at any time. Nothing can push you into doing something you don't want to do.
Is it because I'm your son?
Would it have been easier if you did it with another guy?
ALLMYLINKS.COM/MANDOLOGICA
MORE SENSATION

No! If it were with another guy, I'd have never done this experiment in the first place. How could you ask me a question like that??
Who is it then?
It's because I'm your son, then. But I think doing this task will help someone you love so much. And this person isn't me, by the way.
Dad.
William?! How??
Yes, he is doing whatever it takes to make us some money.
Dad is getting old, Mom. You told me that due to the economic crisis, he works two shifts. He works more than 16 hours per day, even on the weekends.
ML
MORE SENSATION

Exactly. The money you and I would get from this task could make my father's working life easier. He wouldn't have to work again until midnight and not at the weekend.
We'll do it for Dad.
Let's give it a little try. And you can stop it at any time. OK?
That's something your father would appreciate, of course. It's just...
...
ML
MORE SENSATION
ALLMYLINKS.COM/MANDOLOGICA

Oh my God...
As a little kid, not as the young, adult man you are now.
Oh, are you embarrassed? Come on, Mom. You saw me naked many times when I was a little kid.
Why not? Thanks to you, you should see how healthy a young man your son is. You should be proud of yourself. You brought me up so well. Haha.
ALLMYLINKS.COM/MANDOLOGICA
ML
MORE SENSATION

Life is a big joke, Mom.
I can't ask her to get naked just like that or rub my cock. She'll freak out. Hmmm...
Will you turn around? Or are you going to show me your back the whole evening?
Haha. Stop joking around, Lucas!
Anyway, what's next?
Okay... I will try.
ALLMYLINKS.COM/MANDOLOGICA
ML
MORE SENSATION

Well, I'd need something to turn me on since I can't touch or rub my cock.
No-No, Mom. It's a simpler than that, but I'm not sure if you'll agree to it.
No, you won't get naked.
Panties?
DON'T ask me to do it because I won't.
Well, I may agree, as long as I don't have to get naked.
Say it, then.
ALLMYLINKS.COM/MANDOLOGICA
ML
MORE SENSATION

Holding women's panties turns me on. It's my fetish. Please, don't judge me.
Mmm... I prefer a fresh one.
What?!
Oh...O...Kaaayyy... So, do you want me to bring you one of my panties?
What do you mean?
ALLMYLINKS.COM/MANDOLOGICA
ML
MORE SENSATION

Could you take your panties off, please?
No judging, Mom. Please!
It's a fair request. You won't be naked, and your panties will turn me on.
Lucas... W-
Why the one that I'm wearing? Why not one from the closet?
ALLMYLINKS.COM/MANDOLOGICA
ML
MORE SENSATION

No-No, Lu-
Why can't I just shout at him to stop?
Why does the mother's moaning in that porn clip come into my head right now??
Because it's been rubbing your pussy the whole day. They will be warm to touch, and amazing scent to smell.
And it's my mother's panties. Don't you think this is hot enough to turn me on? It's forbidden fruit.
Please-please-please, Mom.
You're doing this for Dad too.

Fine...
I can't believe I'm doing this.

ALLMYLINKS.COM/MANDOLOGICA

What is it?
Don't-
Mom, could you... Nah, forget it.
I enjoy the smell of your panties, but I'm afraid that's not enough. I need something else to enjoy my eyes with for more stimulation.
Not to get you naked. But... maybe you can raise your dress a bit to see your... thigh?
ALLMYLINKS.COM/MANDOLOGICA
MORE SENSATION

I'm embarrassed to ask you to do this. I thought I would cum by feeling your panties in my mouth, but it's difficult without rubbing my cock.
Jesus! Lucas...

Your explanation makes the situation worse.

What should I do?
Okay-Okay... This's going to be the first and the last time!
We're doing this for Dad too.
ALLMYLINKS.COM/MANDOLOGICA

Does this work for you?
I need to what?
Aaa... Mom... You need to...
You need to do it in a teasing pose.
ALLMYLINKS.COM/MANDOLOGICA
ML
MORE SENSATION

Calm down, please.
Just a simple pose to help me out. I won't get excited by just looking at your thigh without posing.
It's inappropriate because we are a mother and son. I know, Mom!! But we are in a task now. And I'm losing my erection already. If you don't want it, please stop it now. Otherwise, please stop arguing with me for each request I ask you for.
What the hell are you talking about??
Do you want me to tease you??

I'm sorry. I didn't mean to stress you out.

Hehe. Great!
ALLMYLINKS.COM/MANDOLOGICA
ML

That's right, but I'll keep trying. You must have this scholarship, Lucas. It's for your future, honey.
It's OK. I understand. I know how difficult it is for you to pretend like you're not my mother in this task.

OK-Ok, nevermind. But could you at least moan during rubbing?
It doesn't have to be real. You can fake it.
Yes, please.
ML

ALLMYLINKS.COM/MANDOLOGICA

It's one of the scenes we watched this afternoon. I think it'll help you to moan without faking it.

5 minutes later, Lucas brought some tissues for Adriana. She cleaned her hands and wiped off the cum
Oh my God! I've made Mom feel terrible. I'm nothing more than an asshole.
I wouldn't have done this to you if I hadn't been in love with you, Mom. I'm the one who should be sorry, not you.
I'm very sorry, Lucas. I didn't mean to cross the line. I just couldn't watch you in pain. Sorry for letting you down.
ALLMYLINKS.COM/MANDOLOGICA

Oh...
No, Mom. I'm just very grateful. I'm the luckiest son in the world. You did what no other mother would do for my future, and for Dad's sake too.

Why are you blaming me, Mom? It wasn't my idea. But I think you're right. Please give me the vibrator back.

What are you going to do with it?
ALLMYLINKS.COM/MANDOLOGICA
ML
MORE SENSATION

A minute later.
You know where the vibrator is when you need it.
Nothing wrong with enjoying yourself. Stop thinking of yourself as an older woman. You're still young, at least in my eyes.
I won't need it! Stop saying that crap.
Go to sleep, Lucas. You seem tired and unaware of what you're talking about.

What is it?
What does it say?
Hmm... I don't understand it, either.
Good night, Lucas.
I don't understand. It's a task, but it's too ambiguous.
It says, "Until we can confirm with your partner that you have done the fap task, you must be available for your partner. If you don't, then you won't get your share of the money.
Anyway, I guess you're right. I'm a bit tired and will go to bed. Maybe I will understand what they meant by tomorrow. Good night, Mom.

20 minutes later.
Eehh... He didn't sleep... I knew it.
Okay... I can't do it. I'm just so stressed. How on Earth do they expect a woman to masturbate when under that much pressure?? Women need time to relax first before they reach their moment to climax.
No. We need that money for you and your father's sake. Also, I crossed the line to make you masturbate. I can't ignore that money just like that.

Goodnight.
Now, I need to get rid of this DAMN vibrator. I don't want it in my house!

Two days later, in the morning, Lucas was monitoring Adrianna through the cameras.
HAHA. Woah!! What a surprise, Mom. It took you a short time to do this. Oh, poor girl! she is using the empty bathtub instead of bed because Dad is still in the room. This is hilarious!!

Hehe. What a contradictory view! Dad is preparing for the cruel real world, while Mom is sinking in the pleasure world.

Hey, Adrianna. I'll go to work now, honey. Need anything?
By the way, I've been hearing to a slight buzzing noise. What was that?
Oh. Okay, I've got to go. Talk to you later. Take care.
Aaa... I-I'm shaving my bush. You know I'm not too fond of it too long.
You too, honey. Have a good day.
Sigh... That was close. I must be careful from now on.
Huh? Oh my God! I forgot to lock the door!
T-Thanks, William.
Anyway, it's time to make breakfast for Lucas.

A couple of minutes later.
What's gotten into me lately? I was always so careful with how I dressed in front of Lucas. Always so respectable, as a mother should. Now here I am wearing something like this...
ALLMYLINKS.COM/MANDOLOGICA
MORE SENSATION

Well, what's the harm now. After everything else...
Lucas keeps on saying that I should enjoy myself and be comfortable with how I dress. As long as William is not around, I am free to dress how I want around Lucas.
And something tells me Lucas will enjoy seeing me like this.
ALLMYLINKS.COM/MANDOLOGICA

Huh... That sounds strange when I think about it. I'm afraid to dress like this in front of my husband, but apparently my son is fine.
Lucas
She's on the way, coming to my room. I have to act surprised by this.
MORE SENSATION

Good morning, sweetie.
It seems so. You haven't taken your eyes off me since I walked in.
I would say so, Mom. This is a nice surprise.
Of course, Mom. You look absolutely stunning. I'm like a deer in the headlights. And...
Whoa! Those are a nice addition.
ALLMYLINKS.COM/MANDOLOGICA
MORE SENSATION

Yeah. They really add something that accentuates the dress.
You mean my long-socks?
Now that IS surprising. A boob man I get, but a leg man too?
Or maybe you just have a thing for socks and feet. Your father used to get turned on by legwear too.
Also, honey, I'm sorry I shouted at you a couple of nights ago. I was just a bit taken aback by the whole situation.

No need to apologise, Mom. I know it was a near impossible task. But you were able to get through it, and now our family will benefit from it.
Also, about that task, the organization said they will make the bank transfer payment to me, and it should arrive in 2-3 days.
By the way, what did you do with the vibrator? Did you get rid of it?
Hmm, she's still uncertain about her true desires. True, she's dressing in more sexually revealing clothes now, but that's not enough.
That's wonderful news, honey. I'm glad all this can all be looked back on as being worthwhile
Oh yeah, that thing... Yeah, I threw it out. You know, it's too risky to keep around the house in case your dad found it. Anyway, they didn't specifically say to keep it after the task, so I figured it was just for that one task.
ALLMYLINKS.COM/MANDOLOGICA
MORE SENSATION

So, have you heard anything back about a new task from them?
Oh yeah, I nearly forgot - as it's something simple. A research task. You must have got a notification too.
I haven't had a chance to look today, since I got dressed and came straight here at once. But I am glad it's a normal task and not something weird again.
Yeah, that must be a relief.
What does this research task entail, then?
ALLMYLINKS.COM/MANDOLOGICA
MORE SENSATION

I don't get it? Cheating is cheating. No arguments required.
Okay, there might be more to it when you say it like that.
They wanted us to discuss the meaning and semantics of the term "cheating" in relationships.
Could be. But they want us to research what in fact constitutes sexual cheating. For instance, is a kiss considered cheating. Is being naked in front of a stranger cheating, even if there's no touching? Things like that.
ALLMYLINKS.COM/MANDOLOGICA

That sounds like a piece of cake compared to the last task. Maybe they gave us an easy task to ease our minds after the stress of the last task.
Okay... so they want us to research different forms of cheating for 2-3 hours and then they will send us further instructions.
Let's get you some breakfast first. You can work better after a good meal.
Alright, let's get started, then.
Haha. Still my loving mother, I see. I'm glad that nothing has changed.

After breakfast, Lucas and Adrianna returned to his bedroom and spent about 3 hours researching and reading articles before Lucas gets a phone notification.

So?
Any more info about what to discuss?
OK. Let's begin the task.
The asked us to stop searching and now to begin the discussion session.
It says: "We would like Lucas and his partner to discuss the topic they have read up on and exchange their personal opinions on the subject. Once the discussion between both parties has concluded, please send us a list of the points you agreed with and disagreed with."
That's word for word, the message I got.
ML
MORE SENSATION

Alright, let's hear your side of the argument first.
It's pretty much cut and dry from my side; any woman being kissed or touched in any way inappropriate in secret from her husband, is considered cheating.
I see. What about a woman being naked in front of another man, but no touching occurs. It happens sometimes when posing for paintings and such.
Hmmm... I'm not sure. If it's not kept from the husband and everyone is okay with it, then I guess it's fine.
ALLMYLINKS.COM/MANDOLOGICA
MORE SENSATION

Alright, so we are agreed, then. Task accomplished.
Which kind of relationship do you mean?
Actually, Mom, I was reading up on another relationship and want to get your opinion on if the same rules apply.
I would say so. Would you not agree?
So, it seems to all boil down to anything sexual that doesn't have the husband's approval is considered cheating, by your viewpoint.
It sounds like a fair assessment of most situations.
ALLMYLINKS.COM/MANDOLOGICA

ALLMYLINKS.COM/MANDOLOGICA

You're asking why? You're kidding, right?
Because... going by the earlier point, he wouldn't be the husband, and so would be just like any other man.
Well, maybe the son isn't, exactly the same, but... Lucas! You can't deny that a married woman is only for her husband. And her - I can't believe I'm about to say this... Her vagina is only for her husband and no one else. Got it?
No. We're just discussing why you consider it to be an affair.
I would argue what you said before about preferring to get naked in front of your son over another man simply because a son wouldn't blackmail his mother. Therefore, he isn't just any other man in that case.
ALLMYLINKS.COM/MANDOLOGICA

Just her vagina? What about her ass? I mean her anus?
What I mean is, if the pussy is just for the husband, maybe the ass could be for the son?
Her what???

That's fine, Mom. I can just add it to the disagreed with points in the list.
I'm just putting it down for the sake of the task. That's all.
No-no-no! I feel like we're not just talking about the task here, Lucas. I can't continue this discussion with you.
No! Why would you want to do that?
ALLMYLINKS.COM/MANDOLOGICA
MORE SENSATION

Do you want to look like a pervert to them? And what if that's giving them too much information, and they figure out who I am.
Haha! Pervert? Why? because I am asking questions about incest relationship.
Mom, I'm going to be a psychologist one day. And one of the most talked about psychological relationships was proposed by Freud, being the Oedipus complex. And also, one of the basic principles of Psychology is to respect and value the feelings and views of others - even if we don't necessarily agree with them.
ALLMYLINKS.COM/MANDOLOGICA
MORE SENSATION

That's a good guess, Mom. That's what I was going to do.
OK, but are you asking me to fudge the results? And mess with the whole operation?
I know. It's just...
Lucas, I'm worried that the organisation will take these disagreed with points and force us to do more perverted tasks for money, like they have already done.
But at the same time, I don't want you to lose the scholarship because of something I'm incapable of doing. Please Lucas, don't give them any sick ideas!
Yes. I mean no. I... Geez... I don't know... Even though I suspect what the organisation might do, I can't ask you to cheat the system. If they discover that something is off, it may lead to them cancelling the whole experiment.
ALLMYLINKS.COM/MANDOLOGICA
ML
MORE SENSATION

Hmm, Mom's about to blow it! Let's try something else.
Okay, Mom. Hopefully the task has no deadline. What if we test this theory privately?
Test it? You mean..?
Yes. We have done these other tasks up to now under pressure. This time we can take all the time we need, away from the stress we had before.
Easy? So, no pressure?
We've got today and maybe tomorrow to create easy tasks for ourselves. Something we can both agree on.
No pressure, Mom.
ALLMYLINKS.COM/MANDOLOGICA

I won't send them, but you need to also promise me that you will be objective in the tasks too. And I mean not refusing the tasks unless you have a real reason for saying no. Can you promise me that?
Great! Then let's get work on those tasks.
And in addition, no bringing up sending the disagreed points to the organisation again. Alright?
Alright. Yes. I do. I promise.
